---

## Career Summary

### 2003-date, WebMaster, Graphics Master, Belfast, Northern Ireland

- Worked within major print design company, tasked with developing fledgling Web Department
- Assessed initial set-up requirements and implementing hardware and software solutions accordingly
- Trained my team in the use of QuarkXPress, Beyond Press Pro, PhotoShop, Dream Weaver, Media Cleaner Pro, QTVR & Adobe Premier
- Coordinated with Account Executives, actively soliciting new clients and nurturing existing client accounts, ensuring their needs and requirements were not only accommodated but surpassed
- Winning over many clients from larger companies, due to the extremely high standards of our creative design work
- Training clients in subsequent website maintenance, particularly the use of Dream Weaver and its inbuilt FTP facility achieving a 100% satisfaction rating from client feedback surveys
- Initiating a company-wide changeover to a much faster ISP with enhanced technical support
